

Illinois Department of Transportation

Danville Main Street (US 136) from Pine Street to Collett Street

September 14, 2006

For the Week of September 17 to 23, 2006

Duce Construction will continue to build the gravel base and concrete pavement from Park to Corrine Street.

Work will also begin on sidewalks and driveways from College Street to Park Street.

Park Street will remain open.

College Street will be opened this week.

Quincy and Elizabeth Street will remain closed at Main Street.

Note that Elizabeth is open at South Street and is temporarily a 2-way street while the intersection is under construction. Please drive slow and use caution.

Traffic will be routed to the north side of Main Street from Collett to Jackson Street. One lane will be provided in each direction.

All businesses are accessible from either Main Street or from South Street. South Street runs parallel to Main Street, one block south of Main Street.

Please use caution when driving in the work zone.

Please obey the 20 mph speed limit in the construction zone.

All left turns are prohibited except for Lauhoff and Buchanan Streets.

Minor delays and congestion are expected for this week.

Please be alert in congested traffic. Do not follow other vehicles too closely. Do not stop on the railroad tracks!

For your safety, please stay out of the work areas, and obey the sidewalk closed signs.

Please be aware that Danville Mass Transit might alter bus routes. Please contact them for more information.
